Loan of "Robertson Report" to Dr. Tukey

Chief of Staff

S/ASST, Mr. Friedman

10 November 54

60493/can

1. Dr. Tukey, of The Special Subcommittee of The Scientific Advisory Committee (OSM), called this office today and asked if a copy of the report on "The Potentialities of COMINT for Strategic Warning" (The "Robertson Report") can be made available to his group, the members of which are cleared and indoctrinated. The document would be kept in secure spaces within a CIA secure area.

2. Your approval to lend Dr. Tukey a copy of the document for a limited period of time is requested. (The Committee is to complete its work in about two months.)

WILLIAM F. FRIEDMAN  
Special Assistant
