Dear Stewart:

This is to acknowledge your letter of
22 March 1954.

I have requested that your travel orders
for the Board meeting in April be so written
that you can drive your car. Make note of the
odometer reading when you leave and arrive here.
If you have not already received your orders,
they will arrive within the next day or two.

Thank you very much for sending the address
I asked for in connection with the Fulbright
awards.

Sincerely,

WILLIAM F. FRIEDMAN
Special Assistant
