Mr. Donald A. Quarles  
 Assistant Secretary of Defense (R/D)  
 The Pentagon

Dear Mr. Quarles:

Having just returned from an extensive overseas trip on Agency matters, this is my first opportunity to tell you how glad I am to learn that you plan to be present for at least some part of the 6-7 April meeting of the National Security Agency Scientific Advisory Board.

The two-day meeting is scheduled to open at 9:00 a.m. on 6 April in the Staff Conference Room (19-244) at the Naval Security Station, Washington. It is planned to provide a series of presentations, bringing the members up to date on the major problem areas of the Agency. An effort will be made to send a copy of the agenda to you through Mr. M.D. Post of your office prior to the meeting.

Sincerely,

WILLIAM F. FRIEDMAN  
 Executive Secretary  
 NSA Scientific Advisory Board
