William F. Friedman Esq.
Director of Communications Research,
War Department,
Arlington.

Dear Mr. Friedman,

Have just to-day returned to this country and find that you were good enough to send me the schematic of that drawing on the 13th September, for which thank you very much.

I hope that your family are well, and all at Station X send their very kindest regards, which I will give to you personally next time I am in Washington.

Yours sincerely,

B. deF. Bayly,
Assistant Director/Communications.
