

MORTINE  
KAY

8 February 1954

Dear Kay:

It was nice to receive your note of 19 January, confirming the word I had earlier by telegraph as to your acceptance of my tender of secretaryship. I hope that you will like the job, too, with all its vicissitudes and surprises.

Looking forward to seeing you soon, I am,  
with very best greetings to all my friends there,

Sincerely,

OFFICE OF THE  
SENIOR UNITED STATES LIAISON OFFICERFLAT 507, BOX 55  
7 NORTH AUDLEY STREET  
LONDON W. 1 · ENGLAND

19 January 1954

My Dear Mr. Friedman,

I was quite honored this morning when Colonel Pulling called and said he had received a letter from home asking if I would like to be your secretary. I had not visualized that in my efforts to locate a position in the organization upon my return would produce such a nice reward. I just hope I can meet all the requirements expected of me. I would like to point out that I have not used my short leave for over four years and it is not up to par, but I hasten to fresh up on it.

When I left the States two years ago I felt very sad as I went around to tell my friends goodbye, now the same feeling is coming over me when I think about leaving England. I have thoroughly enjoyed my tour and have taken advantage of the many opportunities offered in seeing and doing things that normally I could have not otherwise afforded.

Although the exact date of my departure is not known I shall be leaving on or about the 15<sup>th</sup> of March. Colonel Pulling

is trying to get me a reservation on  
the "United States", if that fails, I  
shall fly.

I am looking forward to seeing  
you and all my friends again.

Sincerely yours  
Ray Brockton
