Dr. F. D. Leamer
 Bell Telephone Laboratories
 463 West Street
 New York 14, New York

Dear Dr. Leamer:

Thank you for your letter of 25 August 1954 which contained additional information concerning Mr. Ronald Lee Wigington.

The actions necessary to guide Mr. Wigington's assignment upon his completion of basic training have already been initiated. Unless he has already been listed for a specific assignment by the Army, we can reasonably expect him to join our research and development staff sometime this fall.

Sincerely,

WFM

WILLIAM F. FRIEDMAN
 Special Assistant
