Dear Mrs. Walker:

I must hasten to thank you for the photostats which you sent me and which arrived safely a few days ago. I am sorry that you did not include a bill covering the cost thereof. Won't you kindly let me know, so that I can reimburse you?

Your courtesy and kindness in seeing and talking with Mr. Fawcett and me a couple of weeks ago about the Beale Papers was deeply appreciated. Someday I may come back again to pester you with more questions.

Thanking you again and with cordial greetings to you and to your two nice daughters, I am

Sincerely yours,

WILLIAM F. FRIEDMAN
