

CROSS REFERENCE SHEET

MAIN SUBJECT:

A arrangements with Dept of State
for Maintenance of Military Attache
Cipher Machines

CLASSIFICATION NUMBER:

MX-783 / U-SIGROD
~~Equipment Maintenance of ~~State~~~~
~~typewriter~~

To: Dir of Intelligence

Date of Communication: 13 Apr 48

From: ASA

Date of Basic Document:

BRIEF SUMMARY:

The Department of State has concurred in a suggestion of ours that Foreign Service cryptographic technicians include the servicing of Military Attache cryptographic equipment on their regular maintenance tours. But this arrangement only makes provisions for approximately ninety per cent of the MA. The Attaches at Pretoria, Moscow, Ottawa and Singapore will not receive servicing from the Dept. of State. The ASA has figured out plans for keeping them supplied, figuring each case separate.
