MEMORANDUM FOR THE MEMBERS OF USCIB

2. The following proposals, in the order of desirability, are submitted to USCIB for consideration as the U. S. position concerning information and material in the COMINT field which may be made available:

- a. Nothing be given
- b. If necessary, monetary reimbursement
- c. If necessary, money and communications equipment

3. The quid pro quo should be held to the minimum consistent with securing the base rights; the release of raw traffic should be considered only if base rights can be secured in no other way. All possible assurances should be obtained from the authorities that they will safeguard all materials received, will not make them available to any other power, and will conceal the existence of the Agreement with the U. S.
