 WASHINGTON 25, D. C.
 OFFICE OF THE CHAIRMAN

CIB # 000307

~~TOP SECRET~~MEMORANDUM FOR THE SECRETARY, LSIB:

Subject: COMINT Relations with [redacted]

EO 3.3(h) (2)
PL 86-36/50 USC 3605

1. USCIB is most grateful for the full report of your initial negotiations with [redacted] forwarded with LSIB/369/54.

2. While USCIB is quite ready to endorse your arrangements in general as being in accord with the understandings reached at the July Conference, there are several points in paragraph 7 of DGC 4952 which require clarification.

3. USCIB agrees that any U.S. COMINT help to [redacted] should be channeled through the U.K. and are likewise ready to agree to cessation of any U.S. COMINT approaches to [redacted]. However, on the matter of a U.S. guarantee to supply modern COMINT intercept equipment, USCIB would need to have some idea of precisely what would be required of the U.S. before making such a commitment.

4. The matter of the ELINT aspect is, as you know, not one on which USCIB is in a position to give any guarantees. However, USCIB recognizes this problem and is hopeful of its early solution. Here again, the matter of undertaking in advance to supply modern ELINT equipment is one on which the U.S. would have to reserve its opinion.
