TO	FROM	DATE	COMMENT NO. 1
Chiefs of Offices and Staff Divisions	C/S	2 June 1954	

1. R/D

Dr. Kullback announced that he will be visiting Bell Telephone Laboratories this week, particularly to get advice in connection with physics research. R/D is planning to activate a Physics Research Division.

2. AG

Announced that the Director has been delegated the authority to approve travel to conferences. Your cooperation in preparing and forwarding these requests is solicited. We still want the Director to have ample time to review same.

Commencing 1 June, all letters for the Director's signature will be forwarded to the AG's office in draft form. One hard copy will be forwarded; this will be complete in all respects. Suggested wording for any letter is not acceptable.

3. COM

Reported that the Red telephone system is in operation; however, reported delays have been caused by lack of qualified personnel.
