~~TOP SECRET~~MEMORANDUM FOR THE DIRECTOR OF NAVAL INTELLIGENCE:

Subject: COMINT Indoctrination of U.S. Member of NATO
Security Coordinating Committee.

Enclosure: Copy of DGC/1687 dated 1 May 1951

1. The USCIB Coordinator concurs on the action proposed by the British Joint Intelligence Committee as set forth by the Director, GCHQ, in the enclosure, and believes it unnecessary to refer the matter to USCIB.

2. Since the U.S. member of the Security Coordinating Committee is a naval officer, it is believed to be appropriate, contingent on your concurrence, that you carry out the proposed action. It is, accordingly, requested that you indoctrinate the U.S. member in COMINT and brief him on the reasons underlying the proposal which will be tabled by the U.K. members of this committee.
