Mr. Friedman -  
The attached is a draft of  
an application intended to cover  
the Sigfry.  
The drawings have not  
been changed - this will

SECRET ~~CONFIDENTIAL~~ RESTRICTED

be taken care of by the  
Legal Division.

The description has been  
rewritten but not changed  
substantially except for  
additions directed to the new  
figures.

Most of the original  
claims have been discarded,  
but originals 12 and 13 have  
been retained, and appear  
in the present draft as 15 and 16.

Claim 9 is directed to  
the styles-and-contact structure.  
Probably other claims, more  
specific, can be drawn ~~along~~  
to this subject matter.

If you care to call me  
after you have had an  
opportunity to go over the  
draft, I will be glad to come  
to your office to discuss  
the case.

Samuel H. Thayer
