

IN REPLY REFER TO

WAR DEPARTMENT
OFFICE OF THE CHIEF SIGNAL OFFICER
WASHINGTON

Subject. Patent Application,
Electrical Switching Mechanism
Serial No. 36,868

April 21, 1939.

To: Mr. William F. Friedman and
Mr. Frank B. Rowlett,
Intelligence Section,
War Plans and Training Division,
Office of the Chief Signal Officer

1. Pursuant to amendment of April 12, 1939, this case has now been formally allowed and copy in duplicate of the official notice of allowance of April 19, 1939, is sent herewith for your file record. The patent will issue in about three months from the date of allowance and the original Letters Patent will be mailed to you a day or two after the issue date. If it is desired to protect this invention in foreign countries, please note that in order to obtain valid patents in most foreign countries, the foreign applications must be on file before the United States patent issues. As you know, the Government cannot assume any responsibility or incur any expense in connection with foreign applications.
