Office Memorandum • UNITED STATES GOVERNMENT

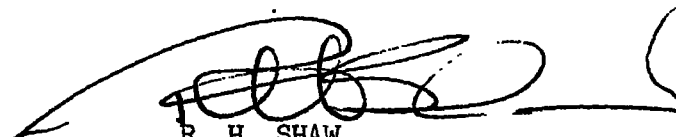

TO : Mr. Friedman

DATE: 10 June 1952

FROM : Dr. Shaw

SUBJECT: UK Familiarity with the ECM Principle

One evening in July 1951 while I was attending the 1951 COMSEC conference in London, I went to dinner with Lt. Col. C. A. Henn-Collins, RSIGS. Over a bottle of wine he informed me that during a tour of duty in North Africa in about 1942 or 43 he was actively engaged in the maintenance and repair of U.S. ECM/SIGABA machines which were in the custody of American forces in North Africa.
