~~SECRET~~

(MA Report - France)

544-France

WLGSS-93

11 March 1946

SUBJECT: MIS File re Pearl Harbor Inquiry

TO: Chief, WLGSS-93

1. The attached file of materials pertaining to the Pearl Harbor Investigation was received directly from Lt. Boskey, MIS by the undersigned on 6 March 1946. It constitutes the complete MIS file of material received from ASA relative to the Pearl Harbor Inquiry, and is returned for permanent retention within the Agency.

2. This material is forwarded to you for file in WLGSS-93 with associated Pearl Harbor material. It consists of the following:

- 1 file folder ("Station 2"), containing:
 - a. List of Pearl Harbor Logs and Indexes Available in ASA.
 - b. Reports and teletypegrams (originals and photostats) pertaining to a. above.
- 1 file folder ("MacArthur Search for Winds") containing cablegrams between MIS and the 330 and CINC, Advance Headquarters at Tokio
- 1 file folder ("Jap Suspicions") containing photostats of translated decodes.
- 1 file folder ("Earlier Messages") containing photostats of translated decodes.
- 1 file folder ("SIS File") containing list of NON-Japanese Messages, Bulletin numbers 13265-27104.
- 1 file folder ("Haruna") containing list and photostats of messages containing the word "haruna".
- 1 file folder ("Broadcast Schedule") containing photostats of translated decodes.
- 1 manila folder ("Nos. 901, 902, 907, 910") containing lists and photostats of all material pertaining to these messages.

~~TOP SECRET~~
