ARMY SERVICE FORCES
SIGNAL SECURITY AGENCY
WASHINGTON 25, D. C.

SPSIB-4

15 May 1945

SUBJECT: Intercept Assignment.
THRU: Chief, Intelligence Division, SPSIS-9
TO: Director of Communications Research, SPSIS-3

KSA

1. Supplementing letter dated 14 May 1945, subject as above, there is attached as Tab A a summary of the intercept traffic forwarded by Monitor Station Five during December 1941. As stated in paragraph 3 of the above cited letter, this summary was prepared from log sheets furnished by that station which listed each intercept message sent to Signal Intelligence Service during the month.

2. Reference paragraph 2 of the above cited letter, the missing radiograms to Monitor Station Five have been located and do not alter the station's intercept directive as it existed on 1 December 1941.
