G-2/10913-752

July 9, 1941.

The Honorable,

The Secretary of State.

Dear Mr. Secretary:

This is in reply to your letter of June 28, 1941 relative to the desire of the Department of State to procure cryptographing machines of the type now used by this Department.

The War Department will be glad to make available to your Department the eight cipher machines desired. The details regarding the placing of the contract for the equipment and the transfer of funds will be arranged for this Department by the Chief Signal Officer of the Army.

Sincerely yours,

(Sgd.) Henry L. Stimson  
Secretary of WAR.c
